## Checklist for Canine Clients

### **Be sure to bring to the kennel:**

\_\_\_\_\_ Shot records showing current on Rabies, Distemper, and Bordetella

\_\_\_\_\_ Current year dog license

\_\_\_\_\_ Food in a plastic container with dog's name on it

\_\_\_\_\_ Bed with dog's name on it. All beds must have removable, washable cover. No loose stuffing inside. Flat mats are fine. No blankets please unless newborn size. Beach towels are acceptable and bed pillows work well too. Floors are heated, and rest assured the kennel is very warm in the winter.

\_\_\_\_\_ Medicines in pill container with doctor's name, name of drug, and dosage information. 1 per week of stay (if your dog is there more than 1 week, you will need additional containers for each additional week of stay).

\_\_\_\_\_ Toys

\_\_\_\_\_ Emergency medical contact information. If vacationing out of the country, we require 2 local emergency contacts that we can reach day or night. Please inform your emergency contact that you are referring them as a contact.

\_\_\_\_\_ Don't forget the pup!

**Note: You may email or mail shot records to us. You will receive a confirmation form us that we have received your records. If a confirmation is not received, please follow-up.**

We welcome visits if you would like to inspect our kennels prior to booking your pet's stay. We ask that you arrange your visit beforehand so that a staff member will be available to show you around.
